

The PODAB Drying Cabinet TS 4

Dry your Delicate Garments with Care.

The PODAB TS 4 Drying Cabinet is an excellent option for smaller spaces. The creative design makes this cabinet very easy to accommodate and organize various types of laundry that may be too delicate to tumble dry or that may not be suited for laundering.

Ideal for professional clothing and suits as well as use at preschools, etc.

The cabinet measures just under 24 inches wide yet has a large capacity to handle up to 9lbs. of laundry. This functional drying cabinet is equipped with a pull-out hanging system that features the equivalent of over 50 feet of clothesline. Easy to install, the evacuating channel is connect to the ventilation system and humid air is transported out of the room. The cabinet features three temperature options and a timed dry cycle up to 4 hours. Average drying time is 1 hour, 30 minutes*.

Options: Baskets to drip dry on a flat surface, hangers for small items. Drying Cabinet is available in a variety of colors to match your decor.

Ideal for delicate garments that are not suitable for tumble dryers.
